GRAY / TABLE,
Paola Navone

Vintage soul and contemporary design characterise the Gray family of tables. Available in different sizes with a square or rectangular top, they feature different materials that combine to create multiple possibilities. The top with slats veneered 30 mm in walnut or oak, concrete 20 mm pearl color, white Carrara marble 20 mm or waxed iron plate 4 mm, is joined by four legs in natural walnut or lacquered oak, in white ceramic or in cast polished aluminium, with elegant triple turning.

The tops are finished with protective coatings, that never make the surface impervious, but are useful to slow down absorption of liquids. Cleaning: use water and a neutral detergent on the surface. Avoid direct contact with aggressive chemicals substances, solvents, ammonia, inks, oily soaps, lemon, wine, coffee. In case of contact, rinse the surface immediately and thoroughly. Waxed iron plate: The table tops are in hot-rolled steel plates, thickness . They can present different colour shades, scratches, specks, rust spots and some small imperfection as they are totally “handmade” . To protect their surface and avoid the small rust spots spreading out (typical to steel), the last working phase involves a special pickling process and a wax treatment, to be repeated regularly. Avoid contact with water and other liquids. White Carrara marble: A naturally compact material, wear and tear resistant, suitable for dining purposes, Carrara marble is treated with a clear matt protective impregnating agent. The presence of micro holes or imperfections is to be considered an intrinsic

characteristic of the natural product, claims are not accepted. For the correct maintenance, we suggest to promptly remove any stains from the surface, especially acid substances. Concrete: Tops made from a mixture of cement, polyurethane resin and glass fibre that guarantees an optimal balance of strength, flexibility and durability. Tops made from this composite are additionally protected with a highly resistant two-component polyurethane resin that provides superior protection against wear and stains.
